WHEREAS, the Case Management Conference in this matter is scheduled for February 19, 2010.

WHEREAS, the parties participated in a Settlement Conference on December 18, 2010 before Magistrate Judge James Larson. The parties made substantial progress towards the settlement of the injunctive relief part of the case on December 18, 2010. However due to the complexity of the injunctive relief issues in the case, counsel and their retained experts require additional time to meet in to resolve remaining issues regarding injunctive relief.

WHEREAS, the parties have requested that Magistrate Judge Larson schedule an additional Settlement Conference in March or April of 2010. A tentative date for the settlement conference has been scheduled for March 17, 2010 pending confirmation of availability of Peralta District officials. An alternative date for the Settlement Conference is April 27, 2010 although the parties prefer to secure the March 17, 2010 date.

WHEREAS, the parties hereby request that the Court continue the February 19, 2010 Case Management Conference to the first available date after May 3, 2010.

GOOD CAUSE exists to request the continuance on grounds that the parties are actively negotiating settlement, continue to remain cooperative in the exchange of information and believe that a continuance of the Case Management Conference will conserve attorney's fees and court resources.

IT IS SO STIPULATED.
